

REMARKS

The above amendments are made to insert a cross reference to the PCT application upon which the instant U.S. national phase is based, to add an Abstract of the Disclosure and to eliminate multiple dependencies in the claims.

It should be pointed out that the title in the earlier A2 publication of the PCT application was superseded by an amended title in the subsequent A3 publication. In addition, two Notifications of the Recording of a Change (Forms PCT/IB/306) were issued during the international phase. The original applicant BTG International Limited was changed to Institut Suisse de Recherches Experimentales sur le Cancer ISREC, which was then changed to Fondation Eurovacc Recherches.

Respectfully submitted,

NIXON & VANDERHYE P.C.
